presents

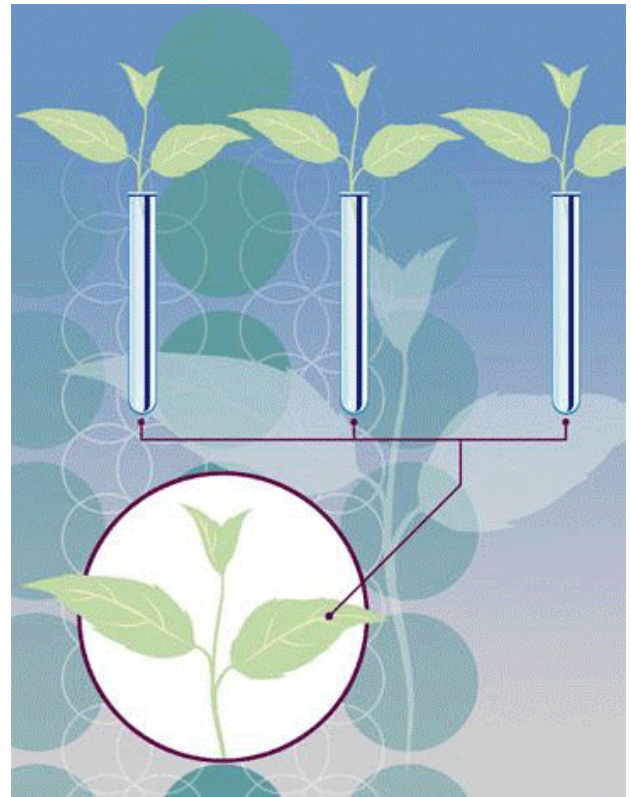

A Lecture By

## Juan Armesto

### Building Links Between Science and Society: Views and Experiences from Southern South America

Juan Armesto is an ecologist and vice-director at the Chilean Millennium Institute for Ecology and Biodiversity. He also is a researcher at the Center for Advanced Studies in Ecology and Biodiversity at the Catholic University of Chile. His work concentrates on ecosystem ecology and conservation.

Dr. Armesto is coordinating with Dr. Frodeman and Dr. Rozzi of the UNT Philosophy department to develop a workshop on environmental philosophy and ecology to be held in the temperate forest region of southern Chile March 2007.

## Monday, May 15 at 12:00 in ENV 225A

This lecture is free and open to the public.
