

UNIVERSITY OF NORTH TEXAS™

Department of Philosophy and Religion Studies
presents

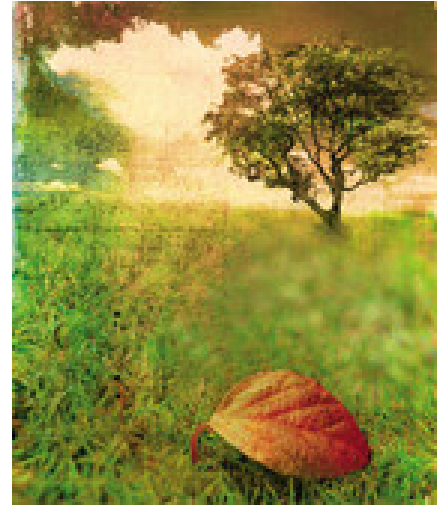

Carl Leopold LIVING WITH THE LAND ETHIC

Introductory Presentation by Baird Callicott,
"Introduction to Leopold's Legacy"

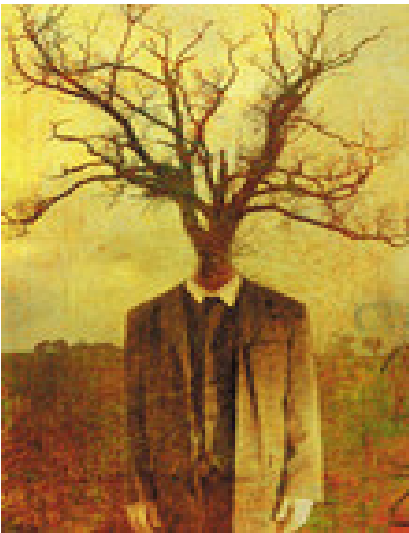

followed by

Presentation by Ashlee Dunham, "Beyond Specialization:
Implications of Carl Leopold's approach"

Thursday, February 16, 2:30pm in EESAT 176

Carl Leopold RESTORATION EXPERIENCES IN COSTA RICA

Introductory Presentation by Gene Hargrove,
"Ecological Restoration in Texas"

followed by

Presentation by Ricardo Rozzi, "Conservation at
the Southern Tip of the Americas"

Friday, February 17, 11:00am in EESAT 320A

Carl Leopold is a plant physiologist at Cornell University, who has extended the restoration approach of his father Aldo Leopold beyond the US. Dr. Leopold is currently leading restoration projects in tropical rainforests in Costa Rica, while also playing a central role in the Aldo Leopold Foundation and the Finger Lakes Land Trust.
